(a) FINDINGS.—The Congress finds that—

(1) the portfolio of multifamily housing project mortgages insured by the FHA is severely troubled and at risk of default, requiring the Secretary to increase loss reserves from \$5,500,000,000 in 1991 to \$11,900,000,000 in 1992 to cover estimated future losses;

(2) the inventory of multifamily housing projects owned by the Secretary has more than tripled since 1989, and, by the end of 1993, may exceed 75,000 units;

(3) the cost to the Federal Government of owning and maintaining multifamily housing projects escalated to approximately \$250,000,000 in fiscal year 1992;

(4) the inventory of multifamily housing projects subject to mortgages held by the Secretary has increased dramatically, to more than 2,400 mortgages, and approximately half of these mortgages, with over 230,000 units, are delinquent;

(5) the inventory of insured and formerly insured multifamily housing projects is rapidly deteriorating, endangering tenants and neighborhoods;

(6) over 5 million families today have a critical need for housing that is affordable and habitable; and

(7) the current statutory framework governing the disposition of multifamily housing projects effectively impedes the Government's ability to dispose of properties, protect tenants, and ensure that projects are maintained over time.

"(1) is consistent with the National Housing Act and this section;

"(2) will protect the financial interests of the Federal Government; and

"(3) will, in the least costly fashion among reasonable available alternatives, further the goals of—

"(A) preserving housing so that it can remain available to and affordable by low-income persons;

"(B) preserving and revitalizing residential neighborhoods;

"(C) maintaining existing housing stock in a decent, safe, and sanitary condition;

"(D) minimizing the involuntary displacement of tenants;

"(E) maintaining housing for the purpose of providing rental housing, cooperative housing, and homeownership opportunities for low-income persons; and

"(F) minimizing the need to demolish multifamily housing projects.

The Secretary, in determining the manner in which a project is to be managed or disposed of, may balance competing goals relating to individual projects in a manner that will further the purposes of this section.

"(b) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

"(1) MULTIFAMILY HOUSING PROJECT.—The term 'multifamily housing project' means any multifamily rental housing project which is, or prior to acquisition by the Secretary was, assisted or insured under the National Housing Act, or was subject to a loan under section 202 of the Housing Act of 1959.

"(iii) housing assistance payments made under section 8 of the United States Housing Act of 1937 (excluding payments made for tenant-based assistance under section 8),

"(3) FORMERLY SUBSIDIZED PROJECT.—The term 'formerly subsidized project' means a multifamily housing project owned by the Secretary that was a subsidized project immediately prior to its acquisition by the Secretary.

"(4) UNSUBSIDIZED PROJECT.—The term 'unsubsidized project' means a multifamily housing project owned by the Secretary that is not a subsidized project or a formerly subsidized project.

"(c) MANAGEMENT OR DISPOSITION OF PROPERTY.—

"(1) DISPOSITION TO PURCHASERS.—The Secretary is authorized, in carrying out this section, to dispose of a multifamily housing project owned by the Secretary on a negotiated, competitive bid, or other basis, on such terms as the Secretary deems appropriate considering the low-income character of the project and the requirements of subsection (a), to a purchaser determined by the Secretary to be capable of—

"(A) satisfying the conditions of the disposition;

"(B) implementing a sound financial and physical management program that is designed to enable the project to meet anticipated operating and repair expenses to ensure that the project will remain in decent, safe, and sanitary condition;

"(C) responding to the needs of the tenants and working cooperatively with tenant organizations;

"(D) providing adequate organizational staff and financial resources to the project; and

"(E) meeting such other requirements as the Secretary may determine.

“(iv) meeting such other requirements as the Secretary may determine; and

“(B) to require the owner of a multifamily housing project that is subject to a mortgage held by the Secretary to contract for management services for the project in the manner described in subparagraph (A).

“(d) MAINTENANCE OF HOUSING PROJECTS.—

“(1) HOUSING PROJECTS OWNED BY THE SECRETARY.—In the case of multifamily housing projects that are owned by the Secretary (or for which the Secretary is mortgagee in possession), the Secretary shall—

“(A) to the greatest extent possible, maintain all such occupied projects in a decent, safe, and sanitary condition;

“(B) to the greatest extent possible, maintain full occupancy in all such projects; and

“(C) maintain all such projects for purposes of providing rental or cooperative housing.

“(2) HOUSING PROJECTS SUBJECT TO A MORTGAGE HELD BY THE SECRETARY.—In the case of any multifamily housing project that is subject to a mortgage held by the Secretary, the Secretary shall require the owner of the project to carry out the requirements of paragraph (1).

“(A) SUBSIDIZED OR FORMERLY SUBSIDIZED PROJECTS RECEIVING CERTAIN ASSISTANCE.—In the case of a subsidized or formerly subsidized project referred to in subparagraphs (A) through (C) of subsection (b)(2)—

“(i) the contract shall be sufficient to assist at least all units covered by an assistance contract under any of the authorities referred to in subsection (b)(2)(D) before acquisition, unless the Secretary acts pursuant to the provisions of subparagraph (C);

“(ii) in the case of units requiring project-based rental assistance pursuant to this paragraph that are occupied by families who are not eligible for assistance under section 8, a contract under this subparagraph shall also provide that when a vacancy occurs, the owner shall lease the available unit to a family eligible for assistance under section 8; and

“(iii) the Secretary shall take actions to ensure the availability and affordability, as defined in paragraph (3)(B), for the remaining useful life of the project, as defined by the Secretary, of any unit located in any project referred to in subparagraphs (A) through (C) of subsection (b)(2) that does not otherwise receive project-based assistance

under this subparagraph. To carry out this clause, the Secretary may require purchasers to establish use or rent restrictions maintaining affordability, as defined in paragraph (3)(B).

“(B) SUBSIDIZED OR FORMERLY SUBSIDIZED PROJECTS RECEIVING OTHER ASSISTANCE.—In the case of a subsidized or formerly subsidized project referred to in subsection (b)(2)(D)—

“(i) the contract shall be sufficient to assist at least all units in the project that are covered, or were covered immediately before foreclosure or on acquisition of the project by the Secretary, by an assistance contract under any of the authorities referred to in such subsection, unless the Secretary acts pursuant to provisions of subparagraph (C); and

“(ii) in the case of units requiring project-based rental assistance pursuant to this paragraph that are occupied by families who are not eligible for assistance under section 8, a contract under this paragraph shall also provide that when a vacancy occurs, the owner shall lease the available unit to a family eligible for assistance under section 8.

“(C) EXCEPTIONS TO SUBPARAGRAPHS (A) AND (B).—In lieu of providing project-based assistance under subparagraph (A) or (B), the Secretary may require certain units in unsubsidized projects to contain use restrictions providing that such units will be available to and affordable by very low-income families for the remaining useful life of the project, as defined by the Secretary, if—

“(i) the Secretary matches any reduction in units otherwise required to be assisted with project-based assistance under subparagraph (A) or (B) with at least an equivalent increase in units made affordable to very low-income persons within unsubsidized projects;

“(ii) low-income tenants residing in units otherwise requiring project-based assistance under subparagraph (A) or (B) upon disposition receive section 8 tenant-based assistance; and

“(iii) the units described in clause (i) are located within the same market area.

“(D) CONTRACT REQUIREMENTS FOR UNSUBSIDIZED PROJECTS.—Notwithstanding actions taken pursuant to subparagraph (C), in unsubsidized projects, the contract shall at least be sufficient to provide—

“(i) project-based rental assistance for all units that are covered or were covered immediately before foreclosure or acquisition by an assistance contract under—

“(1) section 8(b)(2) of the United States Housing Act of 1937 (as such section existed before October 1, 1983) (new construction and substantial rehabilitation); section 8(b) of such Act (property disposition); section 8(d)(2) of such Act (project-based certificates); section 8(e)(2) of such Act (moderate rehabilitation); section 23 of such Act (as in effect before January 1, 1975); or section 101 of the Housing and Urban Development Act of 1965 (rent supplements); or

“(2) section 8 of the United States Housing Act of 1937, following conversion from section 101 of the Housing and Urban Development Act of 1965; and

“(ii) tenant-based assistance under section 8 of the United States Housing Act of 1937 for tenants currently residing in units that were covered by an assistance contract under the Loan Management Set-Aside program under section 8(b) of the United States Housing Act of 1937 immediately before foreclosure or acquisition of the project by the Secretary.

“(2) ANNUAL CONTRIBUTION CONTRACTS.—In the case of multifamily housing projects that are acquired by a purchaser other than the Secretary at foreclosure or after sale by the Secretary, enter into annual contribution contracts with public housing agencies to provide tenant-based assistance under sec-

tion 8 of the United States Housing Act of 1937 to all low-income families who are eligible for such assistance on the date that the project is acquired by the purchaser. The Secretary shall take action under this paragraph only after making a determination that there is available in the area an adequate supply of habitable affordable housing for low-income families. Actions taken pursuant to this paragraph may be taken in connection with not more than 10 percent of the aggregate number of units in subsidized or formerly subsidized projects disposed of by the Secretary annually.

“(3) OTHER ASSISTANCE.—

“(A) IN GENERAL.—In accordance with the authority provided under the National Housing Act, reduce the selling price, apply use or rent restrictions on certain units, or provide other financial assistance to the owners of multifamily housing projects that are acquired by a purchaser other than the Secretary at foreclosure, or after sale by the Secretary, on terms which will ensure that—

“(i) at least those units otherwise required to receive project-based section 8 assistance pursuant to subparagraphs (A), (B), or (D) of paragraph (1) are available to and affordable by low-income persons; and

“(ii) for the remaining useful life of the project, as defined by the Secretary, there shall be in force such use or rent restrictions as the Secretary may prescribe.

“(B) DEFINITION.—A unit shall be considered affordable under this paragraph if—

“(i) for very low-income tenants, the rent for such unit does not exceed 30 percent of 50 percent of the area median income, as determined by the Secretary, with adjustments for family size; and

“(ii) for low-income tenants other than very low-income tenants, the rent for such unit does not exceed 30 percent of 80 percent of the area median income, as determined by the Secretary, with adjustments for family size.

“(C) VERY LOW-INCOME TENANTS.—The Secretary shall provide assistance under section 8 of the United States Housing Act of 1937 to any very low-income tenant currently residing in a unit otherwise required to receive project-based assistance under section 8, pursuant to subparagraph (A), (B), or (D) of paragraph (1), if the rents charged such tenants as a result of actions taken pursuant to this paragraph exceed the amount payable as rent under section 3(a) of the United States Housing Act of 1937.

“(4) TRANSFER FOR USE UNDER OTHER PROGRAMS OF THE SECRETARY.—

“(A) IN GENERAL.—Enter into an agreement providing for the transfer of a multifamily housing project—

“(i) to a public housing agency for use of the project as public housing; or

“(ii) to an owner or another appropriate entity for use of the project under section 202 of the Housing Act of 1959 or under section 811 of the Cranston-Gonzalez National Affordable Housing Act.

“(B) REQUIREMENTS FOR AGREEMENT.—The agreement described in subparagraph (A) shall—

“(i) contain such terms, conditions, and limitations as the Secretary determines appropriate, including requirements to assure use of the project under the public housing, section 202, and section 811 programs; and

“(ii) ensure that no current tenant will be displaced as a result of actions taken under this paragraph.

“(f) OTHER ASSISTANCE.—In addition to the actions authorized by subsection (e), the Secretary may take any of the following actions:

“(1) SHORT-TERM LOANS.—Provide short-term loans to facilitate the sale of multifamily housing projects to nonprofit organizations or to public agencies if—

“(A) authority for such loans is provided in advance in an appropriations Act;

“(B) such loans are for a term of not more than 5 years;

“(C) the Secretary is presented with satisfactory documentation, evidencing a commitment of permanent financing to replace such short-term loan, from a lender who meets standards set forth by the Secretary; and

“(D) the terms of such loans are consistent with prevailing practices in the marketplace or the provision of such loans results in no cost to the Government, as defined in section 502 of the Congressional Budget Act.

“(2) TENANT-BASED ASSISTANCE.—In connection with projects referred to in subsection (e), make available tenant-based assistance under section 8 of the United States Housing Act of 1937 to very low-income families (as defined in section 3(b)(2) of the United States Housing Act of 1937) that do not otherwise qualify for project-based assistance.

“(3) ALTERNATIVE USES.—

“(A) IN GENERAL.—Notwithstanding any other provision of law, and subject to notice to and comment from existing tenants, allow not more than—

“(i) 5 percent of the total number of units in multifamily housing projects that are disposed of by the Secretary during any 1-year period to be made available for uses other than rental or cooperative uses, including low-income homeownership opportunities, or in any particular project, community space, office space for tenant or housing-related service providers or security programs, or small business uses, if such uses benefit the tenants of the project; and

“(ii) 5 percent of the total number of units in multifamily housing projects that are disposed of by the Secretary during any 1-year period to be used in any manner, if the Secretary and the unit of general local government or area-wide governing body determine that such use will further fair housing, community development, or neighborhood revitalization goals.

“(B) DISPLACEMENT PROTECTION.—The Secretary shall make available tenant-based rental assistance under section 8 of the United States Housing Act of 1937 to any tenant displaced as a result of actions taken by the Secretary pursuant to subparagraph (A), and the Secretary shall take such actions as the Secretary determines necessary to ensure the successful use of any tenant-based assistance.

“(g) AUTHORIZATION OF USE OR RENT RESTRICTIONS IN UNSUBSIDIZED PROJECTS.—In carrying out the goals specified in subsection (a), the Secretary may require certain units in unsubsidized projects to contain use or rent restrictions providing that such units will be available to and affordable by very low-income persons for the remaining useful life of the property, as defined by the Secretary.

“(h) CONTRACT REQUIREMENTS.—

“(1) CONTRACT TERM.—

“(A) IN GENERAL.—Contracts for project-based rental assistance under section 8 of the United States Housing Act of 1937 provided pursuant to this section shall be for a term of not more than 15 years; and

“(B) CONTRACT TERM OF LESS THAN 15 YEARS.—Notwithstanding subparagraph (A), to the extent that units receive project-based assistance for a contract term of less than 15 years, the Secretary shall require that rents charged to tenants for such units not exceed the amount payable for rent under section 3(a) of the United States Housing Act of 1937 for a period of at least 15 years.

“(2) CONTRACT RENT.—

“(A) IN GENERAL.—The Secretary shall set contract rents for section 8 project-based rental contracts issued under this section at

levels that, in conjunction with other resources available to the purchaser, provide for the necessary costs of rehabilitation of such project and do not exceed the percentage of the existing housing fair market rents for the area (as determined by the Secretary under section 8(c) of the United States Housing Act of 1937) as the Secretary may prescribe.

“(B) UP-FRONT GRANTS AND LOANS.—If such an approach is determined to be more cost-effective, the Secretary may utilize the budget authority provided for project-based section 8 contracts issued under this section to—

“(i) provide project-based section 8 rental assistance; and

“(ii) (I) provide up-front grants for the necessary cost of rehabilitation; or

“(II) pay for any cost to the Government, as defined in section 502 of the Congressional Budget Act, for loans made pursuant to subsection (f)(1).

“(i) DISPOSITION PLAN.—

“(1) IN GENERAL.—Prior to the sale of a multifamily housing project that is owned by the Secretary, the Secretary shall develop a disposition plan for the project that specifies the minimum terms and conditions of the Secretary for disposition of the project, the initial sales price that is acceptable to the Secretary, and the assistance that the Secretary plans to make available to a prospective purchaser in accordance with this section. The initial sales price shall reflect the intended use of the property after sale.

“(2) COMMUNITY AND TENANT INPUT INTO DISPOSITION PLANS AND SALES.—

“(A) IN GENERAL.—In carrying out this section, the Secretary shall develop procedures to obtain appropriate and timely input into disposition plans from officials of the unit of general local government affected, the community in which the project is situated, and the tenants of the project.

“(B) TENANT ORGANIZATIONS.—The Secretary shall develop procedures to facilitate, where feasible and appropriate, the sale of multifamily housing projects to existing tenant organizations with demonstrated capacity or to public or nonprofit entities which represent or are affiliated with existing tenant organizations.

“(C) TECHNICAL ASSISTANCE.—

“(i) USE OF FUNDS.—To carry out the procedures developed under subparagraphs (A) and (B), the Secretary is authorized to provide technical assistance, directly or indirectly, and to use amounts appropriated for technical assistance under the Emergency Low Income Housing Preservation Act of 1987, the Low-Income Housing Preservation and Resident Homeownership Act of 1990, subtitle B of title IV of the Cranston-Gonzalez National Affordable Housing Act, or under this section for the provision of technical assistance under this section.

“(ii) SOURCE OF FUNDS.—Recipients of technical assistance funding under the Emergency Low Income Housing Preservation Act of 1987, the Low-Income Housing Preservation and Resident Homeownership Act of 1990, subtitle B of title IV of the Cranston-Gonzalez National Affordable Housing Act, or under this section shall be permitted to provide technical assistance to the extent of such funding under any of such programs or under this section, notwithstanding the source of funding.

“(j) RIGHT OF FIRST REFUSAL.—

“(1) PROCEDURE.—

“(A) NOTIFICATION BY SECRETARY OF THE ACQUISITION OF TITLE.—Not later than 30 days after acquiring title to a project, the Secretary shall notify the unit of general local government and the State agency or agencies designated by the Governor of the acquisition of such title.

“(B) EXPRESSION OF INTEREST.—Not later than 45 days after receiving notification from the Secretary under subparagraph (A), the unit of general local government or designated State agency may submit to the Secretary a preliminary expression of interest in the project. The Secretary may take such actions as may be necessary to require the unit of general local government or designated State agency to substantiate such interest.

“(C) TIMELY EXPRESSION OF INTEREST.—If the unit of general local government or designated State agency has expressed interest in the project before the expiration of the 45-day period referred to in subparagraph (B), and has substantiated such interest if requested, the Secretary, upon approval of a disposition plan for a project, shall notify the unit of general local government and designated State agency of the terms and conditions of the disposition plan and give the unit of general local government or designated State agency not more than 90 days after the date of such notification to make an offer to purchase the project.

“(D) NO TIMELY EXPRESSION OF INTEREST.—If the unit of general local government or designated State agency does not express interest before the expiration of the 45-day period referred to in subparagraph (B), or does not substantiate an expressed interest if requested, the Secretary, upon approval of a disposition plan, may offer the project for sale to any interested person or entity.

“(2) ACCEPTANCE OF OFFERS.—Where the Secretary has given the unit of general local government or designated State agency 90 days to make an offer to purchase the project, the Secretary shall accept an offer that complies with the terms and conditions of the disposition plan. The Secretary may accept an offer that does not comply with the terms and conditions of the disposition plan if the Secretary determines that the offer will further the goals specified in subsection (a) by actions that include extension of the duration of low-income affordability restrictions or otherwise restructuring the transaction in a manner that enhances the long-term affordability for low-income persons. The Secretary shall, in particular, have discretion to reduce the initial sales price in exchange for the extension of low-income affordability restrictions beyond the period of assistance contemplated by the attachment of assistance pursuant to subsection (e). If the Secretary and the unit of general local government or designated State agency cannot reach agreement within 90 days, the Secretary may offer the project for sale to the general public.

“(3) PURCHASE BY UNIT OF GENERAL LOCAL GOVERNMENT OR DESIGNATED STATE AGENCY.—Notwithstanding any other provision of law, a unit of general local government (including a public housing agency) or designated State agency may purchase a subsidized or formerly subsidized project in accordance with this subsection.

“(4) APPLICABILITY.—This subsection shall apply to projects that are acquired on or after the effective date of this subsection. With respect to projects acquired before such effective date, the Secretary may apply—

“(A) the requirements of paragraphs (2) and (3) of section 203(e) as such paragraphs existed immediately before the effective date of this subsection; or

“(B) the requirements of paragraphs (1) and (2) of this subsection, if the Secretary gives the unit of general local government or designated State agency—

“(i) 45 days to express interest in the project; and

“(ii) if the unit of general local government or designated State agency expresses interest in the project before the expiration of the 45-day period, and substantiates such

interest if requested, 90 days from the date of notification of the terms and conditions of the disposition plan to make an offer to purchase the project.

"(k) DISPLACEMENT OF TENANTS AND RELOCATION ASSISTANCE.—

"(1) IN GENERAL.—Whenever tenants will be displaced as a result of the disposition of, or repairs to, a multifamily housing project that is owned by the Secretary (or for which the Secretary is mortgagee in possession), the Secretary shall identify tenants who will be displaced, and shall notify all such tenants of their pending displacement and of any relocation assistance which may be available. In the case of a multifamily housing project that is not owned by the Secretary (and for which the Secretary is not mortgagee in possession), the Secretary shall require the owner of the project to carry out the requirements of this paragraph.

"(2) RIGHTS OF DISPLACED TENANTS.—The Secretary shall assure for any such tenant (who continues to meet applicable qualification standards) the right—

"(A) to return, whenever possible, to a repaired unit;

"(B) to occupy a unit in another multifamily housing project owned by the Secretary;

"(C) to obtain housing assistance under the United States Housing Act of 1937; or

"(D) to receive any other available relocation assistance as the Secretary determines to be appropriate.

"(l) MORTGAGE AND PROJECT SALES.—

"(1) IN GENERAL.—The Secretary may not approve the sale of any loan or mortgage held by the Secretary (including any loan or mortgage owned by the Government National Mortgage Association) on any subsidized project or formerly subsidized project, unless such sale is made as part of a transaction that will ensure that such project will continue to operate at least until the maturity date of such loan or mortgage, in a manner that will provide rental housing on terms at least as advantageous to existing and future tenants as the terms required by the program under which the loan or mortgage was made or insured prior to the assignment of the loan or mortgage on such project to the Secretary.

"(2) SALE OF CERTAIN PROJECTS.—The Secretary may not approve the sale of any subsidized project—

"(A) that is subject to a mortgage held by the Secretary; or

"(B) if the sale transaction involves the provision of any additional subsidy funds by the Secretary or a recasting of the mortgage, unless such sale is made as part of a transaction that will ensure that such project will continue to operate at least until the maturity date of the loan or mortgage, in a manner that will provide rental housing on terms at least as advantageous to existing and future tenants as the terms required by the program under which the loan or mortgage was made or insured prior to the proposed sale of the project.

"(3) MORTGAGE SALES TO STATE AND LOCAL GOVERNMENTS.—Notwithstanding any provision of law that may require competitive sales or bidding, the Secretary may carry out negotiated sales of subsidized or formerly subsidized mortgages held by the Secretary, without the competitive selection of purchasers or intermediaries, to units of general local government or State agencies, or groups of investors that include at least one such unit of general local government or State agency, if the negotiations are conducted with such agencies, except that—

"(A) the terms of any such sale shall include the agreement of the purchasing agency or unit of local government or State agency to act as mortgagee or owner of a beneficial interest in such mortgages, in a manner consistent with maintaining the projects

that are subject to such mortgages for occupancy by the general tenant group intended to be served by the applicable mortgage insurance program, including, to the extent the Secretary determines appropriate, authorizing such unit of local government or State agency to enforce the provisions of any regulatory agreement or other program requirements applicable to the related projects; and

"(B) the sales prices for such mortgages shall be, in the determination of the Secretary, the best prices that may be obtained for such mortgages from a unit of general local government or State agency, consistent with the expectation and intention that the projects financed will be retained for use under the applicable mortgage insurance program for the life of the initial mortgage insurance contract.

"(4) SALE OF MORTGAGES COVERING UNSUBSIDIZED PROJECTS.—Notwithstanding any other provision of law, the Secretary may sell mortgages held on unsubsidized projects on such terms and conditions as the Secretary may prescribe.

"(m) REPORT TO CONGRESS.—Not later than June 1 of each year, the Secretary shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives, a report describing the status of multifamily housing projects owned by or subject to mortgages held by the Secretary, which report shall include—

"(1) the name, address, and size of each project;

"(2) the nature and date of assignment;

"(3) the status of the mortgage;

"(4) the physical condition of the project;

"(5) an occupancy profile of the project, including the income, family size, and race of current residents as well as the rents paid by such residents;

"(6) the proportion of units in a project that are vacant;

"(7) the date on which the Secretary became mortgagee in possession;

"(8) the date and conditions of any foreclosure sale;

"(9) the date of acquisition by the Secretary;

"(10) the date and conditions of any property disposition sale;

"(11) a description of actions undertaken pursuant to this section, including—

"(A) a comparison of results between actions taken after enactment of the Housing and Community Development Act of 1993 and actions taken in years prior to such enactment;

"(B) a description of any impediments to the disposition or management of multifamily housing projects, together with a recommendation of proposed legislative or regulatory changes designed to ameliorate such impediments;

"(C) a description of actions taken to restructure or commence foreclosure on delinquent multifamily mortgages held by the Department; and

"(D) a description of actions taken to monitor and prevent the default of multifamily housing mortgages held by the Federal Housing Administration;

"(12) a description of any of the functions performed in connection with this section that are contracted out to public or private entities or to States, including—

"(A) the costs associated with such delegation;

"(B) the implications of contracting out or delegating such functions for current Department field or regional personnel, including anticipated personnel or work load reductions;

"(C) necessary oversight required by Department personnel, including anticipated personnel hours devoted to such oversight;

"(D) a description of any authority granted to such public or private entities or States in conjunction with the functions that have been delegated or contracted out or that are not otherwise available for use by Department personnel; and

"(E) the extent to which such public or private entities or States include tenants of multifamily housing projects in the disposition planning for such projects;

"(13) a description of the activities carried out under subsection (j) during the preceding year; and

"(14) a description and assessment of the rules, guidelines, and practices governing the Department's management of multifamily housing projects that are owned by the Secretary (or for which the Secretary is mortgagee in possession) as well as the steps that the Secretary has taken or plans to take to improve the management performance of the Department."

(c) EFFECTIVE DATE.—The Secretary shall, by notice published in the Federal Register, which shall take effect upon publication, establish such requirements as may be necessary to implement the amendments made by this section. The notice shall invite public comments, and the Secretary shall issue final regulations based on the initial notice, taking into account any public comments received.
